SPAZIO

ROYObath presenta SPAZIO, una colección caracterizada por su marcado diseño joven y funcional. Producto que sintetiza con su fondo reducido, de tan sólo 38 cm, la importancia de los espacios en el hábitat actual. SPAZIO collection está disponible en 60, 80 y 100 cm y cuenta con tres modernos acabados: blanco brillo , gris ceniza y nogal. Destacamos la originalidad del cruce de las mayas en el mueble que aportan al conjunto un toque de distinción. SPAZIO, soluciones modernas, actuales y diseñadas para todo tipo de espacios.

ROYObath presents SPAZIO, a collection characterized by its youthful and functional design. This product with its reduced width from the wall, only 38 cm, synthesizes the importance of space in today's home. SPAZIO collection is available in widths of 60, 80 y 100 cm with three modern finishes: gloss white , ash grey and walnut. We would highlight the original look created by crossed grain giving the furniture a touch of distinction. SPAZIO, modern solutions, current designs for all kinds of spaces.

DISTRIBUCIÓN MUEBLE / UNIT'S DISTRIBUTION

Original disposición interior del mueble; dos puertas en la parte superior, una de ellas abatible para una mejor ordenación de toallas u objetos de mayor volumen y dos cajones en la parte inferior para almacenar objetos de pequeñas o diversas dimensiones. Compartimentos adecuados a las necesidades de hoy en día que te permitirá tener a mano todos tus objetos. The furniture presents an original layout; two doors on the top, one of which folds down to make easier organize towels or other large objects. There are also two drawers at the bottom to store smaller items. The compartments adjust to the needs of today's life so that everything is close to hand.

KIT DE ALMACENAJE PARA CAJONES Y BANDEJAS / DRAWER'S STORAGE KIT AND TRAY

Posibilidad de incorporar un kit de almacenamiento para la adecuada distribución de los diferentes utensilios propios del baño. Kit compuesto por bandejas en madera de haya y cubetas de plástico estirénico efecto cristal. There is the possibility to incorporate a storage kit for a suitable distribution of different bath tools. Kit made up trays made of natural beech wood and buckets of polystyrene plastic with a crystal effect.

CAMERINO / CUPBOARD

Prácticos y funcionales son los camerinos que ofrece la serie. Camerinos de 60 cm. con dos puertas y de 80 y 100 cm. de tres puertas. Destacamos sus estantes interiores de cristal y el diseño moderno de la luminaria. The cupboards offered in this series are useful and functional. The 60cm version has two doors and the 80 and 100cm versions three doors. Note the glass shelving in the interior and the modern lighting.

AUXILIARES / AUXILIARIES

Multitud de posibilidades en modulación de los auxiliares pudiendo hacer composiciones unidas tanto en los altos como en los bajos. Los auxiliares están dotados en el interior de estantes de cristal. A multitude of modulation possibilities with the auxiliary units make it possible to create different compositions, both with wall hung units as well as with base units. The auxiliary units have glass shelves inside.

LAVABO CERÁMICO BIANCA / BIANCA CERAMIC WASHBASIN

Moderno lavabo integral cerámico de fácil y cómoda limpieza con forma rectangular y fondo reducido (39 cm.), ideal para aprovechar al máximo los espacios del baño.

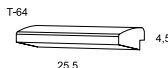

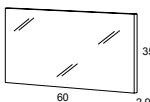

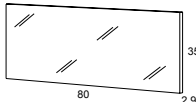

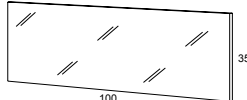

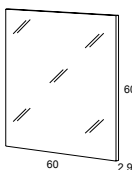

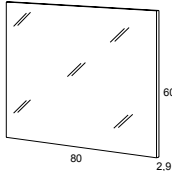

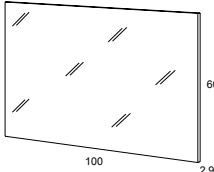

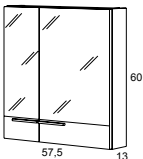

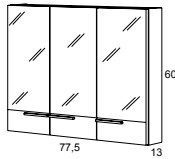

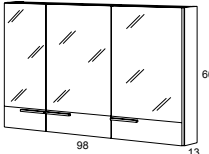

A modern integral ceramic washbasin easy to clean, rectangular in shape, and with a reduced depth from the wall (39cm), it is ideal to have more space in your bathroom.

OPCIÓN PATAS / LEGS OPTIONS

Esta colección te ofrece tres posibilidades en la colocación del mueble. Opción de suspendido para una mayor comodidad de limpieza, opción de una pata central que imprime continuidad a la estética de la colección y por último la opción de dos patas para una mejor sujeción del mueble dotándolo así de una mayor funcionalidad.

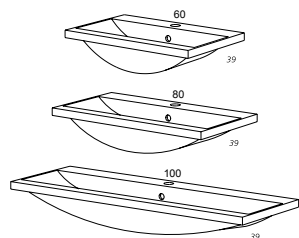

There are three different options available with this furniture: the furniture can be hung on to make easier the cleaning, can have one central leg to give a continuity to the aesthetic of the collection or can have two legs to give more stability and functionality.

ZENIA

La colección ZENIA es una clara expresión de elegancia y funcionalidad gracias a su cajón contenedor ideal para objetos de grandes dimensiones. Se presenta en dos acabados; wengé y lacado en blanco brillo, combinados con aluminio y cristal translúcido.

En esta serie se han cuidado especialmente los detalles y se ha apostado por lavabos de estética diferenciada.

This series seeks both for elegance and functionality through modern solutions that can be appreciated for instance on its innovative drawer, specially designed for the storage of oversize objects. ZENIA is available in two finishes; wenge and lacquered in high gloss white, all of them attractively matched with aluminium and translucent glass. This collection pays special attention to detail, building in washbasins with strong personality. For all above ZENIA is a reference on modern furniture.

MONACO SQUARE

MONACO SQUARE apuesta por los espacios limpios y por los colores actuales adaptándose a las nuevas tendencias de mercado. Resaltamos de esta serie, el uso de lavabos cerámicos sobre encimeras suspendidas y la diversidad de modulación en cubos sobre tarima con patas.

Esta disponible en 60, 90 y 120 cm y se completa con espejos murales, repisas auxiliares, media columna con patas y bajo con ruedas.

MONACO SQUARE series bets on clean spaces and up to date colours adjusting to the new market tendencies. We would highlight the use of square ceramic washbasins on suspended tops and the diversity of cubic modulation on platforms with legs.

It is available in 60, 90 y 120 cm units and is complemented with wall mounted mirrors, self units, half columns with legs and base unit with wheels.

ORION

La gran versatilidad de la serie ORION la convierte en un programa fácilmente adaptable a todos los espacios. Disponible en acabados nogal y wengé con puertas en vitrina cristal mate. El mueble para lavabo presenta dos posibilidades de fondos con frente plano (F-54), mini (F-33,5) y cerámico (F-33,5). La gama se completa con auxiliares haciéndola aún más práctica.

The great versatility of the ORION series makes it a collection easily adapted to bathrooms of all sizes. This series is available in walnut and wenge finishes with framed-matt glass doors. The washbasin unit presents two depth variations with a straight edge (W-54), mini (W-33,5) and ceramic tops (W-33,5). The range is completed with auxiliaries that make the orion series even more practical.

ALTEA

La serie ALTEA se presenta en acabado nogal con opción de puerta vitrina. Ofrece muebles compactos de 60 a 100 cm. con posibilidad de zócalo, patas o suspendido. Diferentes auxiliares la dotan de diversidad y personalidad. El concepto modular con central de 60 cm. permite crear composiciones a medida.

ALTEA series is presented in walnut finish with framed glass door option. Offers 60 to 100 cm. compact units with plinth, legs or wall hung possibilities. Great variety of auxiliary units provides it with personality and diversity. The modular option with a 60 cm. central unit permits to create compositions to measure.

GALA

Programa compacto y modular, lacado en blanco alto brillo, formado por muebles de la serie GALA en las medidas que van desde 50 a 100 cms. Destacamos la gran diversidad de opciones de medida a través del programa modular.

Se complementa con auxiliares como armarios de pie, camerinos, módulos bajos y módulos altos.

A compact and modular programme in high gloss white lacquered made up of furniture from the GALA series in sizes that go from 50 to 100 cms. We should highlight the great diversity of choices for measures through the modular programme.

They are complemented with auxiliary units such as free-standing columns, vanity units, base and wall mounted units.

ENCIMERAS ESPECIALES DE MÁRMOL / SPECIAL MARBLE WORKTOPS					
				P.	
	Metro lineal encimera mármol gris / Grey marble top linear metre			188	
	Metro lineal encimera mármol micro marfil / Ivory micro marble top linear metre			222	
	Metro lineal encimera mármol micro blanco / White micro marble top linear metre			262	

INCREMENTOS ESPECIALES / SPECIAL INCREASES					
				P.	
Por cada hueco especial para lavabo bajoplano / For each special undermounted washbasin hole				85	

ESPECIFICACIONES PARA EL CÁLCULO DE P. / SPECIFICATIONS FOR P. CALCULATION					
Para calcular el P. de las encimeras de mármol de combinaciones modulares, multiplicar la medida total (incluyendo el vuelo lateral) por el P. de metro lineal.					
To calculate the P. for modular combinations marble tops you should multiply the total length (including the sidepiece) by the P. per linear metre .					
Para combinaciones para lavabo bajoplano, multiplicar la medida total por el P. de metro lineal y sumar 85 por cada hueco bajoplano .					
For combinations with an undermounted washbasin multiply the length by the P. per linear metre and add 85 for each undermounted hole.					
Por ejemplo, una encimera especial de 81.5 cms CRD gris Java sería: 188 x 0.815 mts = 153 P.					
For example for a special worktop of 81.5 cms. SER grey Java would be: 188 x 0.815 mts = 153 P.					
Por ejemplo, una encimera especial de 123 cms (60+60) CM micro marfil 2 huecos bajoplano sería: (222 x 1.23 mts) + (85x2) = 443 P.					
For example for a special worktop of 123 cms (60+60) ME ivory micro 2 holes undermounted would be: (222 x 1.23 mts) + (85x2) = 443 P.
